

Step-by-Step Instructions for Farmers Markets to Fill Out the Online Store Application (OSA) to Become Authorized to Participate in the Supplemental Nutrition Assistance Program (SNAP)

We have created this document to help farmers markets complete the process of applying to become authorized to participate in the Supplemental Nutrition Assistance Program (SNAP). As you will see, the information required is minimal and straightforward. Nevertheless, please review and follow these directions carefully. *The information provided during the application process is used only for SNAP authorization and monitoring purposes, is safeguarded, and not shared.*

1. Upon signing into the Online Store Application (OSA) website (after you create the required Eauth profile), via <http://www.fns.usda.gov/snap/store-farmers-market-application>, the first page you see will present you with several choices (**Start a New Application**, **Continue Saved Application**, etc.).

2. Click on **Start New Application**
3. You will then be taken to a page where you must select an application type. You will have two options: **STORE Application** and **FARMERS MARKET Application**.

4. Under **FARMERS MARKET Application**, you will find FNS' definition of "farmers market."
 - a. If the organization you are submitting the application for does **NOT** fit FNS' definition of "farmers market," click on **STORE Application**, and stop using this document, as it does not apply to you.

- If the organization you are submitting the application for ***DOES*** fit FNS’ definition of “farmers market,” click on **FARMERS MARKET Application** and then press “go”. After doing so, you will be directed to a page entitled:

Before You Begin

- Review the information on that page, then click on the **Start Application** button on the bottom of the page. You will then be directed to a page entitled:

Acknowledgement Agreement

- That page includes a **PRIVACY ACT STATEMENT**, information on **USE AND DISCLOSURE**, a **PENALTY WARNING STATEMENT**, and **PRIVACY ACT AND PAPERWORK REDUCTION NOTICE**. Review the information on that page. At the bottom of the page, you will have the option to **Accept** or **Decline**.
 - If you **Decline**, you will not be permitted to continue with your application.
 - If you **Accept** and click **Next**, you will be permitted to continue with your application and be directed to the following page:

The screenshot shows the 'Basic Information' section of the 'USDA Online Store Application' form. The page has a blue header with the USDA logo and navigation links. A sidebar on the left lists application steps: Application Type, Before You Begin, Acknowledgement Agreement, Basic Information (highlighted), Accountability Information, Sales Information, Inventory Information, Supplemental Information, and Review and Submit. The main content area includes a 'Print Page' link, a help message, and several input fields: 'When did or when will the market open for business under the current ownership?' (with a calendar icon), 'Market Name *', 'Legal Business Name (if different from market name)', 'Market Number', 'Location Address' (with sub-fields for Street Number, Street Name, Additional Address Line, City, State, Zip Code, and Zip+4), 'Is mailing address same as location address?' (radio buttons for Yes/No), 'Contact Details' (Market Telephone Number, Alternate Telephone Number, Email Address, and Confirm Email Address), and a 'Back Save and Continue Later Next' button bar at the bottom.

On that page, you will be asked for some basic information regarding your farmers market. **NOTE:** Starting on this page, you must submit information regarding your farmers market’s **Responsible Officials**. “**Responsible Officials**” are responsible for ensuring that all market stakeholders (i.e., him/herself, the market owner, market vendors, and – if applicable -- parent organizations, such as a nonprofit organization) adhere to SNAP laws, regulations, and policies. If any stakeholder commits a program violation, both the parent organization and the **Responsible Official** will be held

accountable, and may face disqualification and/or monetary penalties. In other words, responsibility for violations falls to both the organization and the **Responsible Official**, as does prevention. To prevent a sanction from occurring, the **Responsible Official(s)** should ensure all stakeholders are fully trained and understand the impact that program violations would have on **all** market stakeholders; and should carefully consider how liability for disqualification and/or monetary penalties would affect those stakeholders.

1. **Store Opening Date [Required]**: You will be asked “*When did or when will the market open for business under the current ownership?*” Enter the date the farmers market opened under your ownership in the *MM/DD/YYYY* format.
 - a. For example, if the market has existed since September 8, 2005, but you took ownership on February 9, 2012, enter 02/09/2012.
 - b. If your market has not yet opened, you may enter a date up to 30 days in the future.
2. **Store Name [Required]**: You will be asked “*What is the official name of the market? (the name you use on legal documents, such as leases, contracts, incorporation documents, etc.)*” This is the name that will appear on your SNAP license; and that FNS will use for official business and when referring the public to your market. The market name should be identical to the name you use if/when you register your market with the Agricultural Marketing Service’s *Farmers’ Market Directory*.
3. **Market Number [Only if Applicable]**: If your market is part of a chain of markets, and has an alphanumeric code (i.e., “Neighborhood Farmers Market #426,” “Market #A34,” etc.), enter that **Market Number** here. Do **not** use a pound sign in this field.
4. **Supporting Organization [Required]**: Identify the organization that is assisting your market in the process of becoming SNAP-authorized or indicate that no organization assisted you.
5. **Store Address [Required]**: You will be asked “*What is the address where the market is conducted? (i.e., where the market takes place).*” You must **NOT** enter a P.O. Box for this question.
6. **Store Mailing Address [Required]**: You will be asked “*Is the market’s mailing address the same as the address where the market is conducted?*”
 - a. If so, select “yes.”
 - b. If not, select “no,” and you will be prompted to enter the market’s mailing address.
 - c. If the market’s mailing address is a P.O. Box, enter the P.O. Box number in the **Street Name** field.
7. **Market Telephone Number [One Number Required]**: You will be asked to enter a “**Market Telephone Number**” and “**Alternate Telephone Number.**” (i.e., numbers where the **Responsible Official** can be reached). Enter at least one number.
8. **Email Address [Required]**: You will be asked to enter an email address where the **Responsible Official** can be reached; and then to re-enter the e-mail address (for confirmation).
9. Click on the **Next** button at the bottom of the page, and you will be taken to the following page:
